*THIRTEENTH SUNDAY IN ORDINARY TIME*

**PASTOR'S CORNER**

*"By His poverty you might become rich."  
-- II Corinthians 8*

It seems the father in the gospel today has exhausted all human remedies and resources to help his sick and dying daughter. In great humility, Jarius the synagogue official, comes to Jesus for help. He wanted Jesus to do something before it was too late. Then he hears the devastating words, "Your daughter is dead." It seems nothing can be done. Yet it is never too late for people who have faith. As Jesus says, "Do not be afraid, just have faith."

All too often, we forget the spiritual remedies and resources that faith offers. God wants us to be imperishable, as the scriptures remind us. The father dismissed the voices of gloom and trusted the voice of Jesus Christ, divine power.

We must do the same. Many situations seem impossible beyond our power to change. Yet faith is like a magnet, drawing God's power into our lives. St. Paul reminds us, "We have become rich by Christ's poverty." From the riches of heaven, He came to give us access to his divine power. Jesus is the answer to every human problem. By faith, He will raise us up and draw us clear, preserve our life, and turn our mourning into dancing.

God Bless,  
*Father Murray*

**THE THEOLOGY OF THE FOURTH OF JULY**

July 4 is a religious holiday. For this insight, thank John F. Kennedy. On July 4, 1946, Kennedy - then 29 years old, the Democratic nominee for a Massachusetts Congressional seat, and still a lieutenant in the Navy Reserve - was the featured speaker at the City of Boston's Independence Day celebration. He spoke at Faneuil Hall, the red-brick building where colonists had gathered long ago to protest taxes imposed by King George III and his Parliament.

Kennedy began by talking not about taxes or about the British, but about religion. "The informing spirit of the American character has always been a deep religious sense. Throughout the years, down to the present, a devotion to fundamental religious principles has characterized American thought and action," he said.

For anyone wondering what this had to do with Independence Day, Kennedy made the connection explicit. "Our government was founded on the essential religious idea of integrity of the individual. It was this religious sense which inspired the authors of the Declaration of Independence: 'We hold these truths to be self-evident: that all men are created equal; that they are endowed by their Creator with certain inalienable rights.'"

It was a theme that Kennedy would return to during the 1960 presidential campaign when, in a speech at the Mormon Tabernacle in Salt Lake City, he described the Cold War as "a struggle for supremacy between two conflicting ideologies; freedom under God versus ruthless, Godless tyranny." And again in his inaugural address on January 20, 1961 in Washington, DC, when he said, "The same revolutionary beliefs for which our forebears fought are still at issue around the globe - the belief that the right of man comes not from the generosity of the state but from the hand of God."

So amid all the fireworks and barbecue smoke this July 4, consider pausing for a moment to reflect on the one our founding fathers called the Creator. As Kennedy realized, the American Revolution - and thus the country we live in today - started with God, and with the Founders' beliefs in rights that are his gift to us. Whatever your religious views, or lack of them, if you are an American, it's at least worth understanding the idea on which our nation was founded.
